## More information about STEP Results Online...

### *Why is Cambridge Assessment changing to delivering Results Online?*

- Accessibility and ease of use: Centres can export csv results files to their own internal candidate record systems.
- Speed: Instant, universal access to results, especially in the case of overseas candidates.
- Transparency of results information: Results can be viewed by centres and candidates independently.

### *How do I register to get my candidates' results online?*

If you are already registered to make STEP entries using Cambridge Assessment's Entries Extranet, your username and password will be the same for accessing Results Online.

### *How do my candidates register to get their results online?*

You have been provided with a letter for each candidate, containing instructions about registering for and accessing Results Online. Please follow the invigilation instructions and ensure that all of your candidates are given a letter.

### *Where and when can centres download results?*

STEP results will be available for centres to download from:

<https://results.cambridgeassessment.org.uk/centres> from 00:00hrs on Wednesday 19 August 2009

### *Where and when can candidates download results?*

STEP results will be available for candidates to download from:

<https://results.cambridgeassessment.org.uk/candidates> from 00:00hrs on Thursday 20 August 2009

### *Will the other university admissions tests Cambridge Assessment delivers be changing to a system of Results Online?*

Yes, the other university admissions tests Cambridge Assessment delivers:

- BMAT (BioMedical Admissions Test)
- ELAT (English Literature Admissions Test)
- TSA (Thinking Skills Assessment) Oxford

will also have results delivered online from 2009.
