More information about BMAT / ELAT / TSA Oxford Results Online 2010–11...

Why has Cambridge Assessment changed to delivering Results Online?

- Accessibility & ease of use: centres can download PDF Statements of Results, and/or select the 'CSV export' option for spreadsheet-format results to import into their own internal candidate record systems.
- Speed: instant, universal access to results.
- Transparency of results information: results can be viewed by centres and candidates independently.

How do I register to get my candidates' results online?

If you are already registered to make BMAT / ELAT / TSA Oxford entries using Cambridge Assessment's Entries Extranet, your username and password will be the same for accessing Results Online.

How do my candidates register to get their results online?

You have been provided with a blue Confidential Results Information Sheet for each candidate, containing instructions about registering for and accessing Results Online. Please follow the invigilation instructions and ensure that all of your candidates are given a Confidential Results Information Sheet.
