

APPLICATION FOR RESULTS ENQUIRY

Information for candidates

The following information explains what may happen following an enquiry about the result of an admissions test.

If your test centre makes an enquiry about the result of your admissions test after your results have been issued, there are three possible outcomes:

- Your original result is confirmed as correct, and there is no change
- Your original result is raised
- Your original result is lowered

In order to proceed with the enquiry, you must sign the form below. This tells the Head of your centre that you have understood what the outcome might be, and that you give your consent to the enquiry being made.
